## SPECIALTY WINE OF THE MONTH

# CLOS DU SOLEIL - 2015 SIGNATURE

### THE WINERY

Clos du Soleil is a small artisan winery and estate vineyard on the Upper Bench of the South Similkameen Valley, in British Columbia, Canada. With the tagline, "Old World Elegance, New World Edge," they focus on the traditional Bordeaux grape varieties and blends, with a specific focus on the unique terroir of the valley in which they are located.

### THE REGION

The Similkameen Valley is a pristine stretch of vineyards, set amongst the backdrop of rugged and awe-inspiring mountains. Considered the "organic capital of Canada", the area is known for small farms and producers dedicated to creating quality produce, delectable foods, and award-winning wines. Due to the tall surrounding rocky mountains the heat remains in the valley long after the sun sets.

### THE GRAPES

This signature blend is 40% Cabernet Sauvignon, 23% Merlot, 22% Cabernet Franc, 10% Malbec and 5% Petit Verdot. Biodynamic viticulture.

### TASTING NOTES

This wine is complex and classic, age-able and elegant. It's dark in colour and begins with rich aromas of cassis, dark berries and some floral notes. On the palate, there are layers of flavour: lots more dark berries and fruits mingled with some herbaceous notes. The finish is very long, with ripe tannins.

### THE WINEMAKING

Like all of their wines, this wine was made with traditional winemaking techniques, and adhering to the philosophies of minimal-interventionist winemaking. After destemming the fruit and giving it a short cold soak, winemaker Mike Clark starts a partial native yeast fermentation followed by 15 months of ageing in French oak.
